

THE KIM KOMANDO SHOW

Add Kim Komando's Daily Tech Update to your weekday lineup.

In just one minute, Kim finds creative ways to combine her passion for technology with helping people.

Audiences consider Kim a trusted friend, and they seek her advice. Here's your chance to give listeners something to think about, something they can do to protect themselves, or new ways they can enjoy their digital products!

These Daily Tech Updates speak to everyone, because everyone is connected 24/7 to technology.

Spots are relevant, topical, informative and entertaining.

DTU brings revenue.

Kim's one-minute Daily Tech Update is the perfect branded sponsorship opportunity for advertisers in every category.

- Kim will tag her Daily Tech Update for sponsors: "I'm (station's) digital pro, Kim Komando, and this update is brought to you by (sponsor)."
- All customized local advertiser tags are FREE!

Kim's syndicated Daily Tech Update airs on 300+ radio stations. Join the growing list, and Kim will super-serve you with cool tools at no charge.
